August 28, 2018

Dear Property Management Company:

The Rhode Island Service Coordinator Collaborative (RISCC) 2018-2019 membership period will begin September 1, 2018. The membership dues will support the continuity of RISCC as a professional organization of RSCs. Our membership consists of more than 70 RSCs working for 55 management companies/housing authorities throughout RI. Managers can continue to write one check a year per RSC to cover all RISCC trainings, networking events, and recertification.

The annual fee is \$135.00 per RSC. Board members receive a 40% discount. (*Note: The fee will be \$160.00 on membership renewals received after October 31.) The membership will include:

- Attendance fee for all RISCC trainings
- Attendance fees for annual networking and luncheon events
- Annual re-certification review and processing
- Certificates

Please make out and send checks and membership forms to:

RISCC
P.O. Box 9012
Pawtucket, RI 02862

Fees for non-members will remain at \$30 per each educational workshop, \$40 for the Annual Meeting & Luncheon, \$75 for a new RSC (initial 36 hr.) certification and \$30 for annual recertification. Membership in RISCC will produce a significant savings per RSC for Property Management Companies. Please see the attached "RISCC Membership Rules and Benefits" sheet for further details.

Finally, in partnership with Rhode Island Housing, and according to HUD RSC training guidelines, we pledge to continue to provide RSC educational programs that will keep RSCs well informed and able to provide the best services for your housing populations. We hope that you will enjoy supporting your RSCs as a member in partnership with the RI Service Coordinator Collaborative.

Sincerely,

*The RI Service Coordinator Collaborative
Board of Officers.*
